

## Old Cestrefeldians' Trust Awards 2022

### Outwood Academy, Newbold

The Old Cestrefeldians' Trust offers annual educational awards of £300 to all schools in the Borough, plus Chesterfield College.

Outwood Academy invites all post 16 students to submit a one page application if they wish to, outlining why they should receive the award, and how they would use it. These are anonymised before being sent to the Old Cestrefeldians' Trust for review and identification of a worthy winner.

This year, Jak Ramsdale was successful in obtaining the award. Frank Gorman is shown presenting the cheque to Jak in the photograph below.

Jak is planning to become an architect and intends to put the money towards the purchase of an iPad for use in his sixth form studies and to develop ideas for architectural projects when he goes to university.
