

## The Brookfield Cup

The Old Cestrefeldians' Society has donated a cup to Brookfield Community School.

Funded by private donation, the Cup is intended to encourage competition between the five School houses. Each student can generate points for their own house, not purely for academic achievement, but for any other activity in school or in the community that is deemed to justify recognition.

The Cup will be presented at School's Annual Awards Evenings when a representative of the Society will 'do the honours'. It will remain on display bearing ribbons in the colours of the winning house.

The "Brookfield Cup" was presented to Head Teacher, Keith Hirst (centre), on May 21<sup>st</sup> 2024 by OCS Chairman, Derrick Priestley (right) and OC Brell Ewatt D.L. (left).

On the front is the Brookfield Crest below which is the inscription "Donated by The Old Cestrefeldians' Society". On the rear is the Old Cestrefeldians' Crest complete with our School motto "Non quo sed quomodo".
