

Old Cestrefeldians FC Youth Team Annual Reunion 2025

The Sicily Restaurant, just down Sheffield Road from the Old School, was again the venue for the Youth Team's Annual Reunion which also marked the 60th Anniversary of the team's formation in 1965.

During the special evening, several items of memorabilia stimulated many thoughts and sometimes forgotten memories of a season which meant so much to the players and to the Club itself.

Skipper John Batchelor presented to each player a certificate and engraved pen to commemorate the Anniversary and thanked Stuart Reaney for organising the event.

When thoughts turned from the past to the future, mention was made of the 80th Anniversary in 2027 of the founding of the Old Cestrefeldians' Football Club and hopes were expressed that all would be available to celebrate that occasion!
